

**Our hospital is one of  
Frankfort's newest hot spots.**

## **Free high-speed Internet access at Frankfort Regional Medical Center.**

Frankfort Regional now provides free, convenient Internet access in its Surgery Center as well as the main lobby. All you need is a WiFi-enabled laptop or notebook computer (Windows or Mac), or a personal digital assistant (PDA).

**IT'S SECURE.** Our WiFi access is as secure as any open public access network such as pay telephones and dial-up Internet accounts.

**TECH SUPPORT.** We'll provide connectivity support and answer basic configuration questions. Simply pick up any hospital phone and dial 1788 between 8:00 a.m. and 4:30 p.m., Monday through Friday (excluding holidays).

**ACCESS INSTRUCTIONS.** For Web access, make sure that your WiFi software and card are properly installed, then simply launch your browser. (If a pop-up appears stating that there are no available networks, click on it to view a list of available networks. Select "Frankfort Hospital" and click "Connect.")

While you're online, visit [FrankfortRegional.com](http://FrankfortRegional.com) to learn more about our hospital and services.
